

The diagram illustrates the flow of data from input to output, with a central processing unit. It is divided into three main sections by vertical lines:

- Left Section (Input):** Contains a cloud icon with rain and snow, the text "4??", and the text "unit_grad_ar??" below it. Above the cloud is the text "000000 000000 000000".
- Middle Section (Processing):** Contains a circle icon, the text "000000 000 000000 000", and the text "000000" below it. Below this is a circle icon, the text "000000 0000", and the text "000000 000000 :00000000 0000" below it.
- Right Section (Output):** Contains a circle icon, the text "000000 00000000", and the text "000000 0000" below it.
